## Abbreviations and Terminology

Term	Definition
<b>RCSI</b>	Royal College of Surgeons in Ireland
<b>CLC</b>	Closed Loop Communication: An evidence based method of communication that includes a feedback loop to maximise understanding.
<b>CBIT</b>	Community-Based Interprofessional Team
<b>GP</b>	General Practitioner: A medical doctor who provides primary healthcare services to individuals and families. They are often the first point of contact for patients seeking medical advice or treatment.
<b>Teach Back</b>	A communication technique used in healthcare to confirm patient understanding. After explaining a concept, treatment plan, or instructions, the clinician asks the patient to repeat the information in their own words.
